Graduate Programs in Art Education

Concordia UNIVERSITY

real education for the real world

The Master of/Magisteriate in Arts (Art Education) (45 credits) has been designed to help students develop a critical understanding of the field of art education while expanding and developing their art production, teaching and research practices.

The Doctor of/Doctorate in Philosophy (Art Education) (90 credits), is the only one of its kind in Canada housed in the faculty of Fine Arts. It offers students advanced study and research training in the teaching of visual arts. Graduates are faculty in leading colleges and universities and in other leadership positions in the field of art education.
